

BIO-DATA

CURRICULUM VITAE

Name : **Maj Gen S Venkataraman VSM (Retd)**

Date of Birth : 12 Dec 1938

Date of Commission : 23 Apr 1963 (Army Medical Corps)

Date of Retirement : 31 Dec 1997

Qualifications :	M.B.,B.S. (Madras University)	1961
	M.D. (General Medicine) (Pune University)	1971
	F.I.C.A.	1975
	D.M. (Neurology) (AIIMS)	1977
	F.I.C.P.	1991
	F.I.A.N	1996

Experience :	Medical Officer in Army Medical Corps.	1963-1968
	Post-graduate Trainee in Medicine	1968-1970
	Specialist in Medicine wef	1970
	Specialist in Medicine & Neurology wef	1979
	Senior Adviser (Medicine & Neurology)	1987-1992
	Director Medical Services (HS),NHQ wef	1992-1996
	Commandant,Command Hospital(EC),Calcutta	1997

Has administered a 650 Bedded Command Hospital besides working as consultant in Neurology during service in the Armed Forces

Presently working in Mata Chanan Devi Hospital, New Delhi as Honoraray Senoior Consultant in Neurology since retirement in 1997

Thesis for M.D. (Pune University) 1971: Evaluation of Exercise Tolerant Test
Post Doctoral (D.M.Neurology (AIIMS) 1977

Tuberculous Meningitis
Cerebrovascular Accidents
Non-Compressive Myelopathy

Thesis guided for M.D. (General Medicine) - Delhi University

1988 Evaluation of Myelopathy and Myeloradiculopathy by Imaging Techniques with special reference to Magnetic Resonance Imaging (Maj Sharat Johri)

1989 Raised Intracranial Pressure without Lateralising Neurological Signs (Maj SP Gorthi)

1990 Clinical Profile of Status Epilepticus with special reference to aetiological factors and prognosis (Dr Dilip Bhalla)

1991 Comparative Evaluation of Praziquantel and Albendazole in the treatment of Neurocysticercosis.(Dr Geeta Duggal)

1993 Stress Testing in Uncomplicated cases of Myocardial Infarction at three weeks: Comparison between patients given streptokinase and those not given (Dr shailendra Gaur)

**2005 Small Single Enhancing CT Lesions in cases of Seizure Disorder:
Clinico-Radiological Correlation Correlation (Dr Raman Kumar)**

Experience in Teaching : Undergraduates since 1970
Post-graduates since 1975
Post-graduate Guide since 1987
(M.D. Delhi University)

Honours and Awards

- (1) DGAFFMS Award for the best officer in 50 Junior Commander Medical Officers Course held at Armed Forces Medical College, Pune /Lucknow : 1971**
- (2) Vishisht Seva Medal 1982 (President of India)**
- (3) Certificate of Recognition of outstanding services & Achievements in the field of Neurology : 2008 (12th Asian Oceanian Congress of Neurology / 16th Annual Conference of Neurology)**
- (4) Distinguished Services Award : Geriatric Society of India 2010**
- (5) Life Time Achievement Award :
Delhi Neurological Association 2012**
- (6) Distinguished Services Award : Association of Physicians of India 2022**
- (7) Life Time Achievement Award : Indian Academy of Neurology 2022**

Membership of Professional Societies

Association of Physicians of India (Life Member L-750)
Fellow of Indian College of Physicians
UP Chapter of Association of Physicians of India (Life Member)
Delhi Chapter of Association of Physicians of India (Life Member)
Fellow of International College of Angiology.
Neurological Society of India (Life Member VNP-2)
World Federation of Neurology.
International Bureau of Epilepsy.
Indian Academy of Neurology (Life Member LM 010)
Indian Epilepsy Association (Life member)
Indian Epilepsy Society (Founder Member)
Geriatric Society of India
Delhi Neurological Association

Executive Appointments held :

Member of Executive Committee of UP Chapter of API 1980-83
Member of Executive Committee of Delhi Chapter of API 1988-90
Secretary Delhi Chapter of API 1991-93
Vice Chairman Delhi Chapter of API 1993-95
Chairman Delhi Chapter of API 1995-96
Member Governing Body API 1996-99
Member Executive Committee Neurological Society of India 1990-2002
Member Executive Committee Indian Academy of Neurology 1993-96

President Indian Academy of Neurology	2001-02
President Association of Physicians of India	2004-05

Editorial Work

Assistant Editor of Medical Journal of Armed Forces India	1979-81
Editor Proceedings of Medical Update	1989-92
Army Hospital, Delhi Cantt	
Member ,National Advisory Board,	
Journal of Association of Physicians India	1990-tilldate
Consultant Editor,Neurosciences today	1997-till date
Member Editorial Advisory Committee Neurology India	1988-2002
Co-ordinator CME Programme, Neurological Society of India	
and Editor of Progress in Clinical Neurosciences	1995-2001
Editor, Neurology Section, API Textbook of Medicine,7 th Ed	2003

Organisational Activity

Organised Medicine Update Army Hospital, Delhi Cantt	1989-92
18th International Epilepsy Congress New Delhi	17 - 22 Oct 1989
Member Organising Committee XIV World Congress of Neurology	
New Delhi	23-29 Oct 1989
Member Organising Committee International Conference	
on Organisation and Delivery of Neurological Services New Delhi	19-22 Nov 1994

Research work/projects

Co worker in the following Armed Forces Medical Research Committee Projects

- Evaluation of Bromosulphthalein excretion and Radioisotopic methods as a measure of Liver function in Hepatic Disorders (1972-74)
- Lactose Intolerance in Dyspepsias (1972-74)
- Clinical, biochemical and electro-encephalographic studies in Hepatic Encephalopathy (1972-74)
- Clinical, biochemical and histological evaluation of HBsAG/Ab positive Viral Hepatitis (1972-74)
- Evaluation of Praziquantel and Albendazole Therapy in Neurocysticercosis (1989-90)

NEUROCYSTICERCOSIS

Has been working on the various aspects of Neurocysticercosis including epidemiology, clinical presentations and treatment (see publication for details of papers published)

Conferences attended and Papers presented

Has been attending regularly all annual conferences of the Association of Physicians of India and Neurological Society of India since 1976 and of Indian Academy of Neurology since 1983.

18th International Epilepsy Congress, New Delhi 1989

V World Congress of Neurology, New Delhi 1989

Guest lectures/Seminars/Updates/CME programmes

1. Annual Conference of neurological Society of India ,CME Programme, Madurai Neurocysticercosis : 1983
2. Neurology Update AIIMS, New Delhi – Hypertensive Intracerebral Haemorrhage : 1988
3. Clinico pathological Conference AIIMS, Discussant : Hypothalamic Glioma : 05 Apr 1988
4. Medicine Update, Maulana Azad Medical College, New Delhi : Hypertensive Intracerebral Haemorrhage : 1988
5. Neurology Update, GB Pant Hospital, New Delhi :Tuberculous meningitis : 1989
6. Medicine Update 1989, Army Hospital, Delhi Cantt :Clinical Manifestations of Neurocysticercosis : 25/26 Mar 1989
7. Armed Forces Medical Research Committee Meeting, AFMC, Pune Disappearing CT Lesions in Epilepsy in India : 1990
8. Medicine Update 1990, Army Hospital, Delhi Cantt Should single Disc/Ring CT Scan lesions in cases of Epilepsy be treated ? 24/25 Mar : 1990
9. I CME of Indian College of Physicians, Calcutta Disappearing CT Lesions in Epilepsy in India 30/31 Mar : 1990
10. Seminar and Workshop on Epilepsy, GB Pant Hospital, New Delhi Pregnancy and Epilepsy :1990
11. CME Programme APICON, 1990 Jabalpur: Controversies in Medicine. Should single CT Scan Lesions seen in cases of Epilepsy be treated? : 1990
12. Clinico Pathological Conference, AIIMS, New Delhi Discussant : Disseminated Tuberculosis : 1991
13. CME Programme APICON 1991, Agra : Complex partial Seizures : 1991
14. Medicine Update 1991, Army Hospital, Delhi Cantt Myasthenia Gravis : A Review 23/24 Mar:1991
15. Guest Lecture : API Kota Chapter Diagnosis and Management of Neurocysticercosis 09 Apr: 1991
16. IMA College of General Practitioners, New Delhi Cerebrovascular Accidents – Emergency Management 24 Aug : 1991
17. CME Programme APICON 1992. Patna. Parasitic infestations of CNS : 1992
19. Guest Lectures API Kota Chapter, (23 Feb) Management of Epilepsy/Tuberculous Meningitis : 1992
19. 48th Bombay Medical Congress (29 Feb)Haffkine Pharma Oration Tuberculosis of CNS : 1992
20. Dr NN Gupta oration, King George Medical College,Lucknow Non Compressive Myelopathy. (03 Mar) : 1992
21. Medicine Update 1992, Army Hospital, Delhi Cantt Demyelinating diseases : Indian scene (29 Mar)1992
22. APICON 1993 New Delhi Searle oration : Neurocysticercosis : Past and Present : 1993
23. CME APICON 1994 Guwahati: Tuberculous Meningitis : 1994
24. CME Gold APICON 1995 Madras :Status Epilepticus : 1995

25. Seminar on Cerebral Palsy : SwayamkrishiHyderabad : Neurological Evaluation of CerebralPalsy Cases : 1995
26. National Medicine Update AFMC Pune (Feb)Managment of Disappearing CT Scan Lesions in Epilepsy. : 1996
27. CME APICON 1997, Lucknow. Juvenile Myoclonic Epilepsy : 1997
28. CME Indian Academy of Neurology, Chennai : 1997
Recent Advances in Amyotrophic Lateral Sclerosis
29. CME Neurology Andhra Medical College, Vishakapatnam, : 1997
16 Nov Management of Tuberculous Meningitis.

Conferences attended and Papers presented

Has been attending regularly all annual conference of the Association of Physicians of India and Neurological Society of India since 1976 and of Indian Academy of Neurology since 1983.

18th International Epilepsy Congress, New Delhi 1989
V World Congress of Neurology, New Delhi 1989
